

Xiaolin (Lynn) Zhang, M.D.

Xiaolin (Lynn) Zhang, M.D. is a dry eye specialist, and a board-certified Ophthalmologist who is expertly trained to perform cataract, and corneal surgeries. She specializes in the medical and surgical management of anterior segment-related disorders.

Dr. Zhang earned her medical degree in 2010 from Robert Wood Johnson Medical School in New Jersey. She then completed a Transitional Year Internship at Lehigh Valley Health Network in Pennsylvania and her Ophthalmology Residency at University Hospitals Case Medical Center in Cleveland, Ohio. During her final year of residency, she served as Academic Chief Resident. She returned to the East Coast to pursue a Fellowship in the cornea, anterior segment, and refractive surgery at Albany Medical Center.

Dr. Zhang has given talks and presented posters from research projects at national Ophthalmology conferences. She has also authored multiple peer-reviewed articles regarding corneal diseases. Dr. Zhang additionally speaks both English and Mandarin.
